Contemporary Mountain Living in Three Sisters

2109, 101B Stewart Creek Landing

Contemporary mountain living at its finest. This timberline lodges executive 3 bedroom, 3.5 bathroom end unit townhome has it all including quality materials, fantastic layout and many mountain views throughout. The open floor plan of the main level flows well from the chef inspired kitchen through to the living with gas fireplace and dining room both surrounded with loads of windows and light along with access to a private view deck. The top floor boasts a master retreat with more great windows/views, a 5 piece bath and loads of closet space. The walkout lower level includes two more bedrooms, each with their own ensuite bath, laundry and storage. Do not miss the two parking stalls in the underground parking along with a very large storage locker. Last but certainly not least is the fabulous amenities building with swimming pool, indoor hot tub, outdoor hot tub, steam room, home theater, games room, gym.
